Dual Fuel Air Source Heat Pump

Version: July 2025

- Member must be in good standing with the Cooperative.
- Submit within 90 days of purchase.
- One rebate per member location per year.
- The heat pump may be used to replace existing heat pumps, electric resistance heat, or fossil fuel equipment in the home.
- New system equipment only. Pre-owned system equipment is disqualified from this rebate.
- The back-up heat on the new system cannot be electric. If the back-up heat is electric, you will be disqualified from this rebate.
- The system must carry a minimum HSPF2 rating of 8.1 as verified by AHRI (Air-Conditioning, Heating, and Refrigeration Institute).
- Rebates are limited to a maximum of 10 tons residential and 50 tons commercial per facility.
- The unit must be installed where electricity is supplied by the cooperative.
- The facility in which the member resides must be a permanent structure on a permanent foundation on the land owned by the member.
- Rebates are limited to eligible services (homes, lake homes, shops, barns, etc.) that purchase more than 6,000 kilowatt-hours of electricity from the cooperative on an annual basis.
- Rebates may be subject to load control programs. The participant agrees to allow the cooperative to control their heating and cooling equipment now or in the future.
- Please allow 6-8 weeks for processing.
- Please keep a copy for your records.
- Please complete a separate application for each installation site.

DISCLAIMER

The cooperative is not responsible if your contractor, retailer, builder, or other party provides you with inaccurate information about the amount or conditions of the actual rebate. The cooperative will not rebate equipment that has been mislabeled, misrepresented, or previously owned. The cooperative reserves the right to inspect the equipment and its installation at the address indicated on the front of this application. The cooperative is not responsible for any lost, late, stolen, ineligible, misdirected or postage due mail. All completed applications will become the property of the cooperative. Rebate qualifications and amounts are subject to change at the cooperative's discretion and the program may end at any time without notice.
