### Programmable Thermostat

- Member must be in good standing with the Cooperative and submit within 90 days of purchase.
- Please allow 6-8 weeks for processing.
- Limit two rebates per address/location.
- The rebate amount is limited to 50 percent (50%) of the total cost of the unit.
- Please keep a copy for your records.
- The appliance must be installed where electricity is supplied by the cooperative.
- Rebates may be subject to load control programs. The participant agrees to allow the cooperative to control their heating and cooling equipment now or in the future along with receiving text and email messages regarding cooperative load control programs.
- Rebates are limited to eligible services (homes, lake homes, shops, barns, etc.) that purchase more than 6,000 kilowatt-hours of electricity from the cooperative on an annual basis.
- Please complete a separate application for each installation site

#### **DISCLAIMER**

The cooperative is not responsible if your contractor, retailer, builder, or other party provides you with inaccurate information about the amount or conditions of the actual rebate. The cooperative will not rebate equipment that has been mislabeled, misrepresented, or previously owned. The cooperative reserves the right to inspect the equipment and its installation at the address indicated on the front of this application. The cooperative is not responsible for any lost, late, stolen, ineligible, misdirected or postage due mail. All completed applications will become the property of the cooperative. Rebate qualifications and amounts are subject to change at the cooperative's discretion and the program may end at any time without notice.
